Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

**TIMING OF THE DISCLOSURE**

The listed documents are being submitted in compliance with 37 CFR §1.97(b), before the mailing of a first Office action after the filing of a Request for Continued Examination under §1.114.

**RELEVANCE OF EACH DOCUMENT**

Submitted herewith on Form PTO/SB/08 is a listing of documents some of which were cited by the United States Patent and Trademark Office in related co-pending applications. A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

Document D50 submitted herewith on Form PTO/SB/08 was cited by the United States Patent and Trademark Office in co-pending applications (11/830,650, 11/830,659 and 11/830,668, all filed 9/3/2002).

Applicants point out that document D57 is resubmitted herewith on Form PTO/SB/08, which was provided earlier as document D28 in our IDS of 08/20/08. Document D28 ([ptcl.chem.ox.ac.uk/MSDS](http://ptcl.chem.ox.ac.uk/MSDS)) was an irrelevant document and was submitted in error. The correct document, D57, along with a publication date is submitted now ([ptcl.chem.ox.ac.uk/MSDS/glossary/structure\\_activity\\_relationship.html](http://ptcl.chem.ox.ac.uk/MSDS/glossary/structure_activity_relationship.html)). Please note that this document had been cited in an Office Action mailed on 09/20/2007 in U.S. Application Serial No. 11/116,798.

Applicants now provide copies of English translations of documents F1 and F2. Documents F1 and F2 cited in the Information Disclosure Statement of 8/20/08 were not considered by the Examiner because they were not in English.

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

Although Applicants believe that no fee is due for the filing of this Request, the Commissioner is hereby authorized to charge any additional fees which may be required regarding this submission under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by the credit card payment instructions in EFS-Web being incorrect or absent, resulting in a rejected or incorrect credit card transaction, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,

Date March 23, 2009
